

MONDOWEISS

An independent website devoted to informing readers about developments in Israel/Palestine and related U.S. foreign policy, Mondoweiss provides news and analysis unavailable through the mainstream media regarding the struggle for Palestinian human rights.

“Mondoweiss is a rare beacon of free speech and insightful analysis. But more than that, the site is a vital tool for raising awareness in the U.S. about the struggle for Palestinian rights.”

– OMAR BARGHOUTI

Palestinian human rights activist, Co-Founder of the Boycott, Divestment & Sanctions movement

“Mondoweiss is the best and most intelligent site out there on the Palestinian and Israeli conflict.”

– CHRIS HEDGES

Journalist: Two decades as foreign correspondent for publications including The Christian Science Monitor, National Public Radio, The Dallas Morning News and The New York Times

“The writers at Mondoweiss have given themselves the assignment of doing what the mainstream press refuses to do: provide reliable information and analysis about the Middle East. Nobody told them to do it. In fact, a lot of people told them not to do it. Yet they do it every single day. Mondoweiss is a lifeline and I am so grateful.”

– NAOMI KLEIN

Mondoweiss is a project of Center for Economic Research and Social Change, a 501(c)(3) tax-exempt nonprofit organization.
